ARMY AND NAVY NEWS

Fifth Cavalry Squadron Coming.

The following order was issued July 1 at Schofield Barracks, Leilehua, by the Adjutant, Capt. E. A. Sturges, by order of Colonel Schuyler:

I. A sub-committee of non-commissioned officers is convened to meet at this post at 1 o'clock p. m. tomorrow, the 2nd instant, or as soon thereafter as practicable, to carry out the provisions of paragraph 6, Post Exchange Regulations, 1905.

DETAIL FOR THE SUB-COMMITTEE
Sergeant Fred W. Valkos, Troop A, 5th Cavalry; Sergeant Charles Hagger, Troop B, 5th Cavalry; Sergeant Jordan Newton, Troop C, 5th Cavalry; Sergeant Harold A. Cornell, Troop D, 5th Cavalry; Sergeant Edward C. Mowen, Troop I, 5th Cavalry; Sergeant George Davis, Troop K, 5th Cavalry; Sergeant George Litterer, Troop M, 5th Cavalry; Corporal Oscar Westman, Troop M, 5th Cavalry; Drum Major Stephen D. Hensler, Band, 5th Cavalry; Sergeant George Goodison, Detachment Hospital Corps, U.S.A.

II. The band and third squadron, 5th Cavalry, will proceed on Sunday, the 4th instant, by marching to Fort Shafter, H.T., for the purpose of taking part in the Independence Day parade in Honolulu, July 5; returning to this post on July 6.

The squadron commander will designate the hour of march.

Enlisted men detailed on special duty on the target range will not accompany their troops; other extra and special duty men will be taken on the march if not especially needed. In reference to these men troop commanders will make the necessary arrangements with the staff officers concerned.

The mess sergeant and one cook from each troop will be sent to Fort Shafter on Saturday, July 3, in order to draw rations and prepare meals upon arrival of squadron.

No tentage, other than shelter tents, will be taken.

The necessary rations and forage for the command will be drawn at Fort Shafter (ration returns and requisitions for forage to be sent with mess sergeants on July 3).

The members of the band will be attached to the troops of the squadron for rations.

The Quartermaster's Department will furnish the necessary transportation.

Captain Scales Leaves.

Captain Scales, Fifth Cavalry, departed on the Lurline last evening for Monterey, Cal., to take charge of the Fifth Cavalry rifleman who go on the Sheridan to participate in the shooting competition.

Mr. Edwards of the United States Engineer's office, leaves on the Sheridan for San Francisco on a month's leave of absence, returning on the August transport.

Bliss for War College.

WASHINGTON, June 17.—Brigadier-General Tasker H. Bliss, recently detached from command of the Army in the Philippines, was notified today of his assignment to duty as president of the Army War College, Washington Barracks, to succeed Brigadier-General W. W. Wotherspoon, transferred to duty as assistant chief of staff.

Lieutenant Grant for Staff.

WASHINGTON, June 17.—Captain John H. Poole, corps of engineers, has been relieved from duty as superintendent of the State, War and Navy buildings, and as a military aid to the President. Lieutenant U. S. Grant, corps of engineers, probably will succeed him.

Cigarettes Under Ban.

WASHINGTON, June 17.—Cigarette smoking by the enlisted men of the United States Navy should be discouraged as much as possible, in the opinion of Rear-Admiral Seaton Schroeder, commander-in-chief of the Atlantic battleship fleet.

Admiral Schroeder desires to see the ban placed upon the habit and has recommended to the Secretary of the Navy that no cigarettes be sold at the ship's store on any of the vessels under his command. It is probable that Secretary Meyer will take action in accordance with Admiral Schroeder's recommendations.

Admiral Schroeder began his observation as to the effect of cigarette smoking by jacks at different times while he was executive officer on several ships of the Navy. He believes that cigarettes impair the health of the men and do not in any way tend to increase their efficiency for duty.

The New Submarines.

QUINCY, Mass., June 17.—Three new submarine boats of the United States were launched today at the yards of the Fore River Shipbuilding Company here. The boats are the Grayling, the Bonito and the Snapper. They will be part of the flotilla of seven submarines which will shortly receive trials off Provincetown, under command of Lieutenant Julius C. Townsend, now stationed at the Fore River yards.

The Bonito and the Snapper are practically duplicates of the Octopus. They are each 105 feet long, with a surface speed of eleven knots, and are equipped with two torpedo tubes. The Grayling is a somewhat larger craft. Her dimensions are the same as those of the Narwhal, recently launched. She is 135 feet long, with a surface speed of thirteen knots and submerged speed of ten knots, and is equipped with four torpedo tubes.

Captain Winslow in Hospital.

NEWPORT, R. I., June 17.—Captain Cameron McR. Winslow, commanding officer of the battleship New Hampshire, is a patient at the Newport Hospital, where he was operated upon this morning by Dr. Charles W. Stewart.

The operation was quite successful, and it is believed that in a few days the patient will be on the road to recovery.

Sherman Repairs, \$314,000.

WASHINGTON, D. C., June 23.—

The army transport Sherman, which has been out of commission at San Francisco for a year because there was no funds to repair her, is to be thoroughly overhauled. A contract has been made with the Union Iron Works of San Francisco for the complete repair of the Sherman at its bid of \$314,000.

Officers as Horse Marines.

WASHINGTON, June 24.—With Washington in the grip of a hot season, naval officers are wondering if their superiors will order the physical tests, to which they are subject, during the summer days. The officers have the option of riding a bicycle 100 miles, riding a horse 90 miles or walking 50 miles. The penalty of retirement on three-quarters pay if they fail to stand the strain of the test chosen makes the dawn of the fiscal year something to be dreaded.

It is estimated that nearly 200 officers of various ranks from rear admiral down to midshipman will take the tests some time during the year in the vicinity of Washington.

Capt. Culver Dead.

WASHINGTON, June 24.—Captain Abraham E. Culver of the United States Navy died suddenly in Johns Hopkins Hospital in Baltimore last night, aged fifty-three years. Captain Culver was born in Utica, N. Y., and entered the naval service as a midshipman in 1872.
